 - Be included on our billboards that read "Thank you for your commitment to community and education" as well as our own Social Media channels.
 - Have your logo provided to every student/family as a contributor to their child's education.
 - Have your logo provided to every school as a contributor to their students' scholarships.
 - Receive a photo with your donation and yourself/staff/STAY to be featured prominently on your own website or social media.
- Whether your contribution is \$5000 or more, STAY will help elevate your reputation in the community as having a commitment to both Yuma and education.

Philanthropic

- You help Yuma's displaced children who are in Arizona's foster care program to enroll in the private school best suited to help them.
- You help children in Yuma with a variety of learning disabilities find the help they need to not only function to their fullest capacity, but to blossom to their highest potential.
- You give families hope.

Community at Large

- You will **lead by example** in providing the children of Arizona school choice opportunities.
- You get to be a local hero. The community will begin associating your business with having a commitment to Yuma students and the future success of our city.
- We all win when the children in our communities THRIVE!

NOTE: C Corporations take the credit on their corporate tax return. S Corporations may take the credit at the corporate level, if they have a corporate income tax, or pass the credit down to the shareholders pro-rata based on ownership percentages.
